

## Connecting to Eduroam from an Android device:

- ➔ Select the SSID Eduroam
- ➔ Once selected you will get prompted for configuration details. Enter the details in the format shown in the below images.
- ➔ After you have the below details entered correctly click connect.
- ➔ Note that the username needs to be in the format first.last@ul.ie

The screenshot shows the configuration screen for connecting to Eduroam. The title bar at the top is dark teal and contains the text "eduroam". Below the title bar are several configuration options, each with a dropdown menu:

- PEAP
- Phase 2 authentication: MSCHAPV2
- CA certificate: (unspecified)
- Identity: john.doe@ul.ie
- Anonymous identity: (empty field)
- Enter password: (password field with dots and a cursor)

At the bottom of the screen, there is a checkbox labeled "Show password" which is currently unchecked. Below the checkbox are two buttons: "Cancel" on the left and "Connect" on the right.
